Bathe a homunculus seed
In the light of the moon,
and to this, add just a dash of zombie powder.
And thus is an artificial girl born.
"I only wanted to be a real girl."
Begin with a scythe that preys on the blood of demonic creatures, a soul lodged within.
From the man who with this scythe was enthralled, add the gift of his left eye as sacrifice.

So you see, Rose Princess,
while your Rhode Knights use your blood as a catalyst for their abilities,
we Fakes use the blood of the creatures Ella hunted for ours.
But "Cinder-Ella" is back to the way she once was, now: no more than an ordinary scythe...
So in her stead, I, myself, will take it up to continue her hunt for even more blood.
!

Punishment 33 Othello

THIS TIME, IT'S MY TURN TO KEEP HER WISH!
Give it--!!
Give Ella back!!
"I don't want to be hurt..."
"Or kill, ever again..."
Oh, I'd be more than happy to...

SWOOSH
For a price.
Come over to our side, and it's yours.
Stain the White Rose red with blood and give the Princess her Virgin Road to carry her down!
Oh Brother, Mine!!
Go ahead, Guess—

I can scarcely believe you capable of treason,
SKFF
Mutsuki.
Perhaps I ought to have had you fitted with a collar, myself.
Bite your tongue...!
...And, truth be told,
PING
But Tenjoh-sempai, your abilities are all defensive!!
You can't fight with—

SWOOSH
TING!
CHING!
TING!
I'd much rather they be left at defensive,
as would any man of the cloth.
REFLECT!!

BUT AT TIMES...
THE IRON HAMMER...
...IS GOD'S EXPRESSION OF LOVE...
...AND MINE OF MERCY.
Oh, don't worry.
D. SLISH

Once you're *dead*, I'll have you stuffed and mounted for all to admire like the trophy you are.
Oh, jeeze! Look at him! Tenjoh-sempai's got *murder* written all over his face...!
He's lost it...
This is gonna get real ugly, real fast unless we do something to break this up...

THERE HAS TO BE SOME WAY TO STOP THEM...!
BUT-
I'M goin' in.
SKFF
!!
...!
I DON'T THINK MY BLOOD'S GOING TO LAST MUCH LONGER, EITHER...
JERK
Oh, you'll have to get through me, first!
...Nh.
AND ASIDE FROM THAT,
WOBBLE
KAEDE'S BODY IS STILL REELING FROM TAKING TWO AWAKENINGS IN AT ONCE...

COME TO ME, MY SERVANTS!
EMISSARIES FROM THE DEPTHS OF HELL!
WHOOM
Guh!
Gonna drag up the whole damn population, while you're at it?

Well, well...
Now that's the kind of power I'd expect to see behind a Second Awakening.
Too bad, though...
RMBL
RMBL
!
BURST
!!
SLASH!
I warned you, remember!
THERE'S NO LIMIT TO MY MAGIC, NOW...!!
KA
HA
HA
HA.
WHAT DO I DO...?

IF I'M THE ROSE PRINCESS,
WHIPSH
WHIPSH
THEN WHAT DOES THAT LEAVE ME TO DO RIGHT NOW?
Twisting, turning... Proficient in the art of dodging, if nothing else.
You do live up to the name of "Judas," dont you?

...But not skilled enough.
GA-CHANG!
Now——
SHFF

HAVE YOU ANY LAST WORDS ——?

ZAP
What's the matter? Jealous?
You've had your chance. DIE.
STOP!!
ZWOOM
SNK

FREEZE
TENJOH-SEMPAI AND MUTSUKI, YOU'RE FRIENDS—
AND YOU KNOW IT!!

STONE COLD
カチコーン
YESSS!
IT WORKED!!
TENJOH MITSURU WILL FREEZE FOR PRECISELY FORTY-SIX SECONDS!!
WHEN SOMEONE CLAIMS THAT HE AND KURAMA MUTSUKI ARE FRIENDS,
ALLOW ME TO EXPLAIN!!
...You gotta be kidding.
Now's your chance, Quess.
KILL THE WHITE ROSE!!
SWOOM

STAB
STAB
STAB
TENJOH-SEMPAI!!

So much for your grand "scheme," for that matter.
Honestly... Lady Anis can be such a handful.
.....
.....!
HUH?———— WAIT A MINUTE...
Very well, then!
We follow the same tempo as before!
SHWIP
Got it...

薔薇十字獄
Rosenkreuz vor Folter
CHIIING
IT'S SO STRONG...!
Wah!
SPARK

You guys...
You didn't... plan this, did you...?
Hmph... It might, or it might not.
Now to see if it holds...
I never spoke one word that wasn't true.
And Mutsuki...
Who're you callin' a—?!
BUT THAT GOES WITHOUT SAYING.
THAT DOG OVER THERE HAVING HIS SECOND AWAKENING OF ALL THINGS WAS, TO BE FRANK, A FAILURE OF EPIC PROPORTIONS...
Well, there were some things I had not... counted upon, shall we say.

While I would have rather remained a traitor, should it present an opportunity to take you away...
IF IT WOULD LET ME STEAL YOUR LOVE
...I think I will bide my time a while longer.

There's something I've gotta get off my chest, Black...
WHOO-
M... Mut-suki...
JEEZE...! AND I WAS WORRIED ABOUT HIM...!
You little-!
Me, jealous? Perish the thought! Anger, on the other hand?
I very well may kill you myself, yet!
HA HA HA
Oh, but I was serious, as well.
CHAOS, THY NAME IS TENJOH...

WHUP
DO
... Thanks for clearin' the cobwebs outta my head.
SWISSH
QUEEESS...
I-
...Hmph.

SCHAK
HOW DARE YOU BETRAY YOUR OWN BROTHER!!
MY LOVE...!
OFF WITH YOUR HEAD...!!
I WARNED YOU... A THOUSAND BLADES——

SLASH
Mutsuki...!
I took the liberty of unfastening it while we were trading blows before...
He is, after all, MY property.

FSSH...
—But be that as it may,
I would say it wouldn't have worked unless we were secretive about it, in either case.
YOCTEAU
WHY...!?
WHY CAN'T YOU UNDERSTAND MY LOVE, QUESS...?
WHY...!?
WE WERE TO MAKE THIS PLACE A WORLD FOR DARK STALKERS TO—
That's where you're wrong.

I have enough of my own.
Don't you dare shove your desires onto me.
THE MEMORIES I LOST SO LONG AGO.
A WORLD GONE MAD.
MY ALL-TOO-KIND BROTHER.
THE PARADOXICAL ROSETTE CONTRACTS.
ONCE, I WISHED FOR A DIFFERENT RESOLUTION...

THEN I WILL DIRTY MY HANDS AS MANY TIMES AS IT TAKES.
BUT IF NOTHING CAN BE SAVED
I will do as my ego demands...
THROUGH ANY MEANS, SAVE, DESTRUCTION
And I will annihilate you...!
Mutsuki...!

Now let's finish this...!
I WILL DARE TO MAKE IT CHANGE.
We've got your back this time.

FATE TO WISHES.
DESPAIR TO HOPE.
GASP
AS ROSE PRINCESS, THAT'S WHAT I CAN——!
END
